CLERK ALBUQUERQUE

JOINT MOTION TO AMEND PRIORITIES ADJUDICATION SCHEDULE
FOR SECTIONS 3 AND 7

COMES NOW the State of New Mexico, ex rel. State Engineer (State), and the Asociación de Acéquias Nortañas de Rio Arriba (the Acequias) and move to amend the Order Adopting Priorities Adjudication Schedule, entered August, 26, 2004 (Docket No. 7567), and in support thereof state the following:

The Acequias completed and provided to the State the Accquias' historical report for water uses in the Canjilon Creek subsection in November 2004. Since that time, the Acequias' historians have made substantial progress in completing the historical work for Cebolla and Las Nutrias subsections, but require additional time. The Accquias believe that they can complete and exchange reports by June 30, 2006 for the the Cebolla subsection of Section 3; by December 1, 2006 for Las Nutrias subsection of Section 3; and by June 30, 2007 for all subsections of Section 7. In addition by June 1, 2006, the Acequias will be prepared to file a statement of issues regarding the applicability of the Treaty of Guadalupe Hidalgo to water rights in Sections 3 and 7.

WHEREFORE, the State and the Acequias request that the Court enter an order granting this Motion.

Respectfully submitted,
